

Victory Mtn Camp Event Bulletin

Event Dates: June 10-12, 2016. "Early-birds" may arrive Thursday evening so they can begin work Friday morning.

That Sunday afternoon is when the first group of campers will arrive for a week of camp, so our primary focus for this event will be that of making the final preparations on the camp for the campers.

SWAT Team Members will be invited to stay through late Sunday afternoon to help the camp staff receive and register the campers.

Location: Victory Mountain Wesleyan Camp, located near Asheboro: 3592 Youth Camp Rd., Sophia, NC .
Director: Dennis Larue (919-302-1138)

Description of the Ministry: This camp, owned and operated by the Wesleyan East NC District, has been undergoing a major improvement campaign during the past several years. They have made incredible progress and the SWAT Team is proud to say we've helped them. The children's camps held here each summer provide opportunity for kids to come to know Jesus as their personal Savior. The SWAT Team has "adopted" this camp as a "favorite site" for events each year.
